We want to thank all of our very generous donors, supporters, dedicated volunteers and staff for helping us to care for over 800 wildlife patients this year. Wishing all of you a happy and safe holiday season and a prosperous and joyful new year... FWMA and the Betty family

Two Eaglets Returned to The Wild

Two baby eaglets that were separately rescued by FWC in Franklin County and brought to FWMA for treatment have been successfully rehabilitated and released back into the wild. It was a group effort to save these magnificent birds. A very special thank you to FWC for rescuing them, to FWMA for stabilizing them, and to the Wildlife Sanctuary of Northwest Florida in Pensacola for rehabilitating, conditioning, and releasing them.

Thank Heavens For Foster Moms

Many of the squirrels from this season are starting to eat on their own and will soon be ready to go into a large outdoor enclosure to be conditioned for release. A very special thank you to all of our squirrel foster moms: Shirley, Lesley, the Bailey family (photo by Kristen), Robin, Christine, Janet, Heather, Jo, Brandi, the Lewis family, and Ann & Bob.

Hearts Gone Wild On November 21, From the Heart Recording Studio in Sopchoppy hosted the Hearts Gone Wild fundraiser for FWMA. 100% of the gate and the silent auction proceeds benefited FWMA. Just can't thank you all enough!

Christmas Trees Once again, we have native Red Cedar trees for sale. Not only do they make great Christmas trees for friends and relatives, but they can be planted after the holidays and live on to provide a natural habitat for our native wildlife. Trees will be available from November 26th through December 15th for a suggested donation of \$20. They can be picked up at our wildlife center or at Just Fruits & Exotics nursery, Crawfordville Animal Hospital, VCA Wakulla Animal Hospital, Gatortrax Garden Center, and a variety of locations in Franklin County. These are very popular every year and always sell out, so be sure to get yours early!

Duke Energy Grant

Thank you so much Mr. Collins of Duke Energy for taking the time to visit FWMA in September and for the very generous support given by Duke Energy again this year.

Yard Sale News A huge thank you to everyone that donated items, came out to visit and buy items, and helped out during our yard sale in September. We had more items donated for this sale than we have ever had during previous sales and because of you, one of our most successful yard sales to date.

Our next yard sale will be in March 2016...mark your calendar and watch for updates on our Facebook page.

Wildlife Education Corner

Doofy the Pelican and Gordon the Tortoise were at the Sharks and Chablis fundraiser in September. Gulf Specimen Marine Lab in Panacea was kind enough to invite us to attend their annual fundraising event. Everyone enjoyed meeting the very special guests, Jim Fowler from Mutual of Omaha's Wild Kingdom and his education team.

Just a few of our 2015 success stories...

WOW!

Our Facebook page now has over 2,200 likes... absolutely fabulous!
