FWMA is a nonprofit 501 (c)(3) organization dedicated to the rescue, rehabilitation, and release of sick, injured, and orphaned wildlife in the Big Bend region (over 1,200 per year) and is equally committed to educating the public on wildlife issues. FWMA is headquartered in Wakulla County and has served our area including Franklin, Jefferson, and Taylor counties for over 27 years. We receive no local, state, or federal funds; therefore rely solely on donations, fundraisers, and grants obtained through private foundations. We are supported by an incredible group of volunteers and members that help us with our mission.
